We are pleased to announce the plans for the Forty-Fifth Anniversary Convention which is scheduled for September 23-26, 2010 at the recently expanded Tropicana Hotel & Casino in Atlantic City. This year's convention program will include some new experiences for those attending and a "new" Tropicana look that includes "The Quarter" and Havana Tower which include 30 unique shops and upscale restaurants.

Christopher Gardner, whose life was featured in the movie "The Pursuit of Happyness" and portrayed by the actor Will Smith, will be this year's Convention Luncheon speaker. As noted in the movie, Gardner moved on from living on the street with his young son to owning and operating a successful stock brokerage in California. Today he is recognized as an outstanding motivational speaker and author.

This year's convention will include the presentation of the 2010 Larry Gardner Memorial Award to Mike McKenna of Lewis & McKenna and 2010 William Feather Memorial Award to Peter Getchell of PKF Mark-III. At the Saturday Dinner, Edward Cruz will be inducted in the New Jersey Construction Industry Hall of Fame.

The convention program will also include presentation of the 2010 UTCA Construction Safety Awards.

Our convention exhibit will open Friday morning, include approximately 125 exhibitors, and be available to attendees during the day on Friday and Saturday morning. A golf outing, in conjunction with the convention, is scheduled for the Thursday of the convention.
