

UTCA's 2011 PAC Auction Party

UTCA's Annual PAC Auction Party will be held on September 23, 2011, on the Friday evening of the Association's Annual Convention, at the Tropicana Casino & Resort in Atlantic City. The PAC Auction format will allow us to complete our evening program at approximately 8:30PM so as to provide attendees time for participating in other evening activities following the auction.

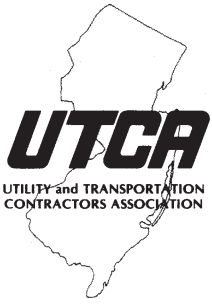

It is important that UTCA member firms support the Association's PAC Auction. The funds raised at this event are needed to assist UTCA in its role as the leading construction industry advocate in the New Jersey Legislature.

Our industry faces many new challenges during the current legislative session. UTCA continues to work for increased funding for transportation, water, wastewater, parks and hazardous waste remediation construction programs, for the protection of award under the lowest bidder system and several other legislative initiatives of importance to the industry.

The Auction program will consist of silent and live segments. International coffees and desserts will be available during the live auction which will occur immediately after the Annual President's Reception. UTCA is now accepting contributions of cash and/or items to be auctioned at the program. **Items donated in past years have included theme baskets, sporting & fishing events, vacation trips, jewelry, art objects, electronic products, show tickets, sports memorabilia and related items.** Cash contributions are also helpful as they allow the association to purchase items for the auction that may not have been donated by others. If you have suggestions on the type of items that you would like to see in the auction, please email Evan Piscitelli at evan@utcanj.org.

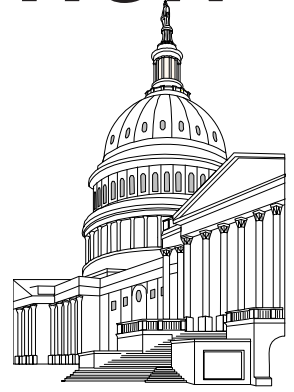

We are counting on the support of our members to make this a successful auction, and your assistance is greatly appreciated. Please use the enclosed Auction Contribution Form to participate and return it to our office as soon as possible. Your prompt attention to this matter is important due to the time needed to prepare properly and publish our Auction Catalog prior to the Annual Convention.

If you have any questions concerning the PAC Auction, please contact Evan Piscitelli at the UTCA office.

UTCA's 2011 PAC AUCTION
