

UTCA Construction Safety Seminar

CPR/AED

Re-Certification Seminar

Friday, February 26, 2010

8:15am Registration & Continental Breakfast

8:30am - 10:30am - Seminar Program

UTCA has scheduled a CPR/AED **Re-Certification** Seminar for February 26, 2010 for your field and management personnel who were certified in these areas last year. In order to maintain this certification, each individual must be re-certified annually. This seminar will give the knowledge and skills necessary to recognize emergencies, care for unconscious victims, and perform the necessary lifesaving skills for rescue breathing, CPR, choking emergencies and AED use for victims of sudden cardiac arrest, until advanced medical personnel arrive and take over. The automated external defibrillator (AED) training is an excellent asset to any jobsite.

The registration fee for this seminar is \$40 per person. Attendees will receive a CPR/AED Re-Certification card valid for one year. The seminar will be held at the UTCA Conference Center in Manasquan, New Jersey and include a continental breakfast for attendees.

Please contact Dan Neville at the UTCA office should you have any questions relative to this seminar program. Directions to the class location are available at: www.utcanj.org

The UTCA Conference Center is located at:

2310 Highway 34, Manasquan, NJ 08736
